HUMMINGBIRDS!

Hummers are starting to flit around early, even in the high country. Make sure if you want to “decorate” your home and garden with these delightful tiny birds to put out a feeder full of nectar that is healthy for them.

NO RED DYE NEEDED please!

1 part sugar

4 parts water

Bring to a boil, cool, and then fill feeder. Store extra in the fridge.

Change every 3-5 days if they don't finish it off.

Spring Home Maintenance Tips

Spring is when the bulk of your home maintenance should be done. This is because most of the damage generally occurs after the harsh winter weather. During the early spring, follow these tips:

- Inspect your roof and gutters
- Replace your HVAC filter and clean system if necessary
- Check washing machine hose and dryer vent
- Clean outside surfaces and repair cracks in driveway or paint
- Re-check seals on doors and windows
- Clean area around AC unit
- Drain water heater
- Check batteries in smoke detectors

Great team at Ground Floor Inspection! Very professional and Chris took the time to do a thorough inspection. Nice people to work with.

MAY IS SALAD SEASON!

GREEN SALAD WITH STRAWBERRY BALSAMIC VINAIGRETTE

2 tsp strawberry jam

1 Tbsp balsamic vinegar

3 Tbsp extra virgin olive oil

1 pint strawberries, sliced

4-5 cups favorite chopped mixed greens

Place jam in a medium bowl and whisk in vinegar then extra-virgin olive oil. Season the dressing with salt and pepper. Add the strawberries and greens to bowl and toss to coat evenly in dressing.

We believe in raising the standards of the industry, to disrupt the status quo. We do this by being a part of a bigger team that protects, educates and is driven to excellence.

SO THAT we can offer high quality home inspections.
